参考范文:

### The Importance of Real-World Social Interaction

Today more and more people begin to realize the pleasures and joys of real-world social interaction. Only by taking part in real-life activities, can we experience true happiness.

It cannot be denied that technology has certainly revolutionized interpersonal communication, but not all of the outcomes of this revolution have been positive. We must acknowledge that excessive dependence on the virtual world of networking alienates our connection with our families and friends as well as weakens our communicative ability. Over time, people tend to feel empty. Instead, when we begin to cherish everything around us in the real world and have a face-to-face talk with our families and friends, we will not feel alone anymore but achieve inner peace. For example, we can put down the phone, meet friends to exercise together, and go home to have dinner with our families.

As far as I'm concerned, our contact with real human beings can never be replaced by any interaction in the virtual world. Therefore, it is high time that we put away our phones and participated in real social life.

## Part IV Translation (30 minutes)

**Directions:** For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

自古以来,印章在中国就是身份的凭证和权力的象征。印章不仅具有实用性,而且也是一种艺术形式,是一门集书法与雕刻于一体的古老艺术,经常被看作与书画并列的独立艺术品。印章从材料的选择、制作的工艺到字体的设计,都具有极其丰富的美学表现。其他国家的艺术家通常在其绘画作品上签名,而中国艺术家则往往在其书画作品上盖上印章代替签名。这样,印章也就成为作品的组成部分,是体现作品独特性的一种方式。

参考译文:

Since ancient times, the seal has been proof of identity and a symbol of power in China. The seal is not only practical, but also an art form and an ancient art that combines calligraphy and sculpture. It is often seen as an independent work of art alongside calligraphy and painting. The seal is extremely rich in aesthetic expression, from the selection of materials, the craftsmanship to the design of the typeface. Artists in other countries usually sign their paintings, while Chinese artists often use seals instead of signatures on their paintings and calligraphy. In this way, the seal also becomes an integral part of the work and is a way to reflect its uniqueness.
